

Why Join Rotary?

We are People of Action

Rotary's global network of more than 1.2 million neighbours, friends, leaders and problem-solvers see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. Together we volunteer our skills and resources to solve issues and address community needs.

The heart of Rotary is our dedicated members, who share the ideals of service, friendship, diversity, integrity, and leadership.

Rotary clubs bring together people across generations who wish to create lasting positive change in the world, in their communities, and in themselves through service.

Join with us

As the largest club in the Ottawa area and one of the largest in Ontario, the **members of the Rotary Club of West Ottawa** are making an impact in many areas – helping children, youth, and the disadvantaged in our local community and in multiple areas of need in the world.

Be part of that work and impact. Help define and deliver the program(s) that help others while building your own experience, capacity and capabilities.

Build friendships through fellowship, develop and grow yourself and your business, leverage opportunities for leadership, become a better citizen, learn, and (most of all?!) **have fun!**
